Project Title: Abstract Art

https://en.wikipedia.org/wiki/Abstract_art

My microsite will be a multi-page, responsive website presenting the evolution, characteristics, and cultural impact of abstract art. I plan to use a minimalist, modern aesthetic, with a lot og geometry and colors. Navigation will appear as a top bar with animated hover effects and bold typography reminiscent of Bauhaus design.

- **Home / Introduction**
    - Brief overview: what abstract art is and what makes it unique
    - Definition and explanation of abstraction in art.
- **Origins & Early Influences**
- **The Birth of Abstract Art (1900–1920)**
- **The Russian Avant-Garde & The Bauhaus; Abstract Art Expands (Late 20th – 21st Century)**
- **Meaning & Interpretation**
    - Breaking down theoretical and social interpretations. As well as the importance of abstract art.
- **Gallery**
    - Examples of abstract art
- **Sources**
    - Citing information and images.
